Delhi Rains: 18-Year-Old Electrocuted To Death In Basement Of LNJP Hospital; Visuals Surface |

Delhi: In another tragic incident of death due to electric shock in Delhi, an 18-year-old man was electrocuted to death in the basement of the Lok Nayak Jai Prakash (LNJP) Hospital. According to reports, the basement was flooded with water and a live wire was exposed to it, leading to an electric current's presence in the water.
